

## PERSONAL INFORMATION

Family name, first name: Wohlfahrt, Georg

<https://twitter.com/WohlfahrtGeorg>

URL for web site: [www.biomet.co.at](http://www.biomet.co.at)

Research identifiers: Researcher ID (D-2409-2009), ORCID (0000-0003-3080-6702), Publons ([publons.com/a/336744/](https://publons.com/a/336744/))

### • EDUCATION

- 2004 Habilitation (professorial qualification)  
Ecology, University of Innsbruck, AUSTRIA
- 1999 PhD  
Biology, University of Innsbruck, AUSTRIA
- 1996 Master  
Ecology, University of Innsbruck, AUSTRIA

### • CURRENT POSITION

- 2020- Deputy head, Department of Ecology, University of Innsbruck, AUSTRIA
- 2011 – Associate Professor, Head of Biometeorology Lab  
Department of Ecology, University of Innsbruck, AUSTRIA

### • PREVIOUS POSITIONS

- 2010 – 2011 Assistant Professor  
Department of Ecology, University of Innsbruck, AUSTRIA
- 2006 – 2010 Staff Scientist  
Department of Ecology, University of Innsbruck, AUSTRIA
- 2004 – 2006 Staff Scientist  
Department of Botany, University of Innsbruck, AUSTRIA
- 1999 – 2004 Research Scientist  
Department of Botany, University of Innsbruck, AUSTRIA
- 1996 – 1999 Research Scientist  
Centro di Ecologia Alpina, ITALY

### • FELLOWSHIPS AND AWARDS

- 2014 – 2015 Invited Guest Professor, European Academy of Bolzano/Applied Remote Sensing, ITALY
- 2013 2012 Editor's citation for excellence in reviewing for outstanding service to the authors and readers of Journal of Geophysical Research Biogeosciences
- 2013 Research award by the Stiftung Südtiroler Sparkasse, ITALY
- 2012 Norbert Gerbier-Mumm award by WMO
- 2009 Lichtenstein award by the University of Innsbruck, AUSTRIA

### • SUPERVISION OF GRADUATE STUDENTS AND POSTDOCTORAL FELLOWS

- MSc students: Christian Anfang (2004), Albin Hammerle (2005), Hermann Schwärzler (2005), Sebastian Pilloni (2007), Christoph Irschick (2010), Sabrina Obwegeser (2014), Felix Spielmann (2014), Karl Krainer (2016), Katharina Gerdel (2016), Tamara Laterza (2016), Noemie Schintgen (2017), Daniel Willeit (2020), Ulisse Gomasasca (2020), Anna Güttersberger (2018-present), Michaela Schwarz (2018-present)
- PhD students: Albin Hammerle (2009), Lukas Hörtnagl (2011), Mastaneh Ahrar (2016), Federico Carotenuto (2017), Alberto Algarra-Algarcon (2018), Florian Kitz (2018), Sylvie Pighini (2019), Katharina Scholz (2014-present), Felix Spielmann (2014-present),

PostDocs: Katharina Gerdel (2016-present), Lorenz Hänchen (2019-present)  
Albin Hammerle (2010-2011), Lukas Hörtnagl (2012-2013), Peng Zhao (2014-2017),  
Karolina Sakowska (2018-2019), Florian Kitz (2019-present)

- **TEACHING ACTIVITIES**

2018 – Lecturer – BSc Secondary School Teacher Training, University of Innsbruck, AUSTRIA  
2015 – Lecturer – MSc Environmental Management in Mountain Areas, University of Innsbruck, AUSTRIA  
2011 – Lecturer – MSc Atmospheric Sciences, University of Innsbruck, AUSTRIA  
1998 – Lecturer – BSc Biology, MSc Ecology, University of Innsbruck, AUSTRIA

- **COMMUNITY SERVICES**

2020- Chief Editor, *Agricultural and Forest Meteorology*  
2017 –2020 Editor, *Agricultural and Forest Meteorology*  
2008 –2017 Associate Editor, *Biogeosciences*  
Reviewer for > 30 international scientific journals  
Reviewer for >10 international funding agencies/institutions

- **MEMBERSHIPS OF SCIENTIFIC SOCIETIES**

2008 – European Geophysical Union

- **TOTAL COMPETITIVE FUNDING**

>3.500.000 Euro (since 2005)

- **BIBLIOMETRIC INFORMATION**

Published, since 1998, >145 papers in ISI journals, including influential journals such as the *Proceedings of the National Academy of Sciences*, *Nature Geoscience*, *Nature Ecology & Evolution*, *Bulletin of the American Meteorological Society* and *Ecology Letters*.  
H-Index (Publons): 39
